LED Head Loupe with Removable LED Light & Interchangeable Lenses

This head loupe has a detachable LED light which can be removed to provide an independent source of light that has two magnets for attaching to steel objects. It can be worn with spectacles and has an adjustable headband for greater comfort and integral visor to cut out ambient light. It comes with four interchangeable lenses supplied with their own storage case. The lenses stay firmly in position when raised or lowered, leaving both hands free to work. Suitable for electrical service and assembly, model making and other applications where both hands are required to carry out finely detailed work.

Contents:

- 1x Head Loupe with removable LED light (batteries not included).
 - 1x Blanking plate for Visor when LED is removed.
 - 1x Box of four lenses:
